

VACANCY

Mechanical Apprenticeships

This year we will be recruiting 2x Apprentices, with a Mechanical Engineering bias, starting in September 2019

This is an opportunity to train to a recognised qualification whilst gaining a diverse range of experience in a multinational organisation.

To apply for this position, it is ESSENTIAL that you:

- Have GCSE grade B /Grade 5 or above in Maths, Science (Physics) and English (although other relevant qualification/experience will be considered)
- Have an enthusiasm for a career in Engineering
- Be Self Motivated
- Have excellent communication skills, verbal and written
- Have a logical approach and problem-solving skills

Please apply, with an up-to-date CV, to the Kawasaki Human Resources and Training Department by 1.30pm on Friday 29th March 2019.
