

Sales Manager - UK based with some international travel

Kawasaki Precision Machinery (UK) Limited is a leading producer of hydraulic pumps and motors and part of the Kawasaki Heavy Industries group.

We currently have a vacancy for a UK based Sales Manager to join the existing team.

To be successful in this role you must have significant experience of the radial piston motor business ideally gaining knowledge and experience selling and providing technical advice to end users and original equipment manufacturers.

Ideally qualified to degree level you will need a technical knowledge of the field of hydraulics.

The role is home based and will involve being a key point of contact for UK based customers but with some travel to overseas business opportunities.

We offer a competitive salary and benefits package. The candidate must have the right to live and work in the United Kingdom.

Applicants should apply in writing by submitting an up to date CV to the Human Resources & Training Department.
